Turk

Yeah, it's a rack attack  
Blow stack after stack  
Check my stash  
The more I spend, the more come back  
Yeah, it's a rack attack  
Blow stack after stack  
Check my stash  
The more I spend, the more come back  
Yeah, it's a rack attack  
Throw it in the air, watch it come right back  
Throw it in the air, watch it come right back  
Right back, right back, right back, right back  
Yeah, it's a rack attack  
Throw it in the air, watch it come right back  
Got a least a hundred racks in a Louis backpack  
If you think that you right, go tit for tat

50 for the Bugari, 20 more to custom the face  
The price tag on Scagnetti - well over 20K  
My bank rolls - it's hard for one bank to bank those  
Baby over there on that strip pole -  
She interested even if she ain't chose  
It must be the clothes -  
Spent a rack for the gator tennis shoes with the eyes in 'em  
A rack apiece for the Gucci belt, shirt and jeans -  
With the red and green lines in 'em  
Everything I push I keep dimes in 'em  
And I spend rack after rack after rack  
Baby, what you want?  
Jimmy Choo fitted dress with the heels to match?  
All you gotta do is ask  
My political party, the Euro crashed  
I'm a show you how to ball to the max  
Can't cut my bread with a axe  
I ain't braggin', just givin' you facts  
How dare you wanna see where I'm at  
What, you got unlimited scratch?  
I tell you what, we gon' kill all that  
Let's see if you can match, rack for rack

I'm in Porsche moccasins - my turbo Panamera shoes  
VVS is see-through - they got a panoramic view  
I'm smokin' Burmese kush - it got a tropical aroma  
I'm somewhere with a dancer - gettin' it on, man, her name Fionna  
She said for the 500, I could give her pussy a tour  
So I gave her 500 more to get straight to the pearly gates, so mature  
Yeah, it's a rack attack - when I take baby shopping, it's a rack attack  
Give me one of this, give me two of that  
Give me a thousand for this, twenty thousand for that  
Titanium black card - you know, the preferred edition  
And I ain't just part of the scene - I make preferred additions  
And I'm into real estate - know I'm in the realest state  
Cash overrule, huh? Bones is red  
I got too many hoes, and they mash the 'caine  
Ain't nothin' to get a million on my fade  
Got me in that association

Keep real niggas 'round me - you could call it insulation  
Would you kill for a rack? Real talk, no exaggeration  
You made the front page - my nigga, congratulations
