

Rollin On

Turnpike Troubadours

The wheels keep rolling, miles keep a-
comin', man, this road never ends
And just when I think I've reached the finish, man
That's where I begin

And I'm rollin' on
Just singing the same damn songs
And I'm rollin' on
Well baby I'm almost home
And I'm rollin' on
I'm rollin' on back to you
Baby I've seen hell and half of Tennessee
And you're all that got me through

I've seen the land in a '96 van, ridin' 5 deep
And this Chevrolet. well, she's seen better days
But you can say the same for me

And I'm rollin' on
Just singing the same damn songs

And I'm rollin' on
Well baby I'm almost home
And I'm rollin' on
I'm rollin' on back to you
Baby I've seen hell and half of Tennessee
And you're all that got me through

After two flat tires and a hundred red lights and endless empty
beers
I thought all night and I can't figure out
What the hell I'm doing here

And I'm rollin' on
Just singing the same damn songs
And I'm rollin' on
Well baby I'm almost home
And I'm rollin' on
I'm rollin' on back to you
Baby I've seen hell and half of Tennessee
And you're all that got me through
