

## Dance-Off

## Turnstile

We came in thru the same door  
I don't know what we came for  
If we don't let our feelings show  
Then it's easy come, easy go  
I guess we'll never know

And so it's goodbye  
It was a good time  
The world is changing  
Or is it me who's not the same?

And it's a dance-off  
You're going your way, I'm going mine  
But are we alive?

I know we came in thru the same door  
But I don't live there anymore  
Ring the bell nobody's home  
Now now now easy come, easy go  
I guess we'll never know

And so it's goodbye  
It was a good time  
The world is changing  
Or is it me who's not the same?

And it's a dance-off  
You're going your way, I'm going mine  
But are we alive?

And so it's goodbye  
It was a good time  
The world is changing  
Or is it me who's not the same?

And it's a dance-off  
You're going your way, I'm going mine  
Are we alive?
