DULL

Turnstile

Deep in the night, I'm waiting for the call
Deep in the night, I'm waiting for the call
Won't be surprised by anything at all
Deep in the night, I'm waiting for the call

And there's a ringing when you talk to me
Talk to me
Ringing when you talk to me
Talk to me

I'm going dull
I'm going dull

Deep in my mind, it's immaterial
Deep in my mind, it's immaterial

And there's a ringing when you talk to me
Talk to me
Ringing when you talk to me
Talk to me

I'm going dull
I'm going dull
I'm going dull
I'm going dull
