

# **LIGHT DESIGN**

**Turnstile**

Never thought I'd be on my own, my own  
But I survived  
Then you saw me standing alone  
And it's all because of light design

Light design  
Light design  
Light design  
I hold my head and cry

Never thought I'd be on my own, my own  
But I survived  
Then you saw me standing alone  
And it's all because of light design

Light design  
Light design  
Light design  
I hold my head and cry

I hold my head and cry
