

## Moon

## Turnstile

Don't want me around  
Push on me so hard I'm floating out  
Now there's nothing I can do  
I'm the man up on the moon

Moon, moon, moon

Don't just let me go  
Just let me go  
Just let me go

Don't want me around  
Push on me so hard I'm floating out  
Now there's nothing I can do  
Man up on the moon  
Nothing I can do  
Man up on the moon

Moon, moon, moon
