

Mystery

Turnstile

There's a gun to my head
Are you gonna get it right?
And I believe in holding on to life
But I'm afraid to

And it's been so long
Is all the mystery gone?
And it's been so long
All the mystery
All the mystery

There's a clock in my head
Is it wrong, is it right?
I know you're scared of running out of time
But I'm afraid too

And it's been so long
Is all the mystery gone?
And it's been so long
All the mystery

And it's been so long
Is all the mystery gone?
And it's been so long
All the mystery
