

NEVER ENOUGH

Turnstile

Running from yourself now
Can't hear what you're told
Never let your guard down
Anywhere you go
In the right place, at the right time
And still you sink into the floor...

It's never enough
Never enough
Never enough
Love
Never enough
Never enough
It's never enough
Love

Running from yourself now
Can't hear what you're told
Never let your guard down
Anywhere you go
In the right place, at the right time
And still you sink into the floor...

It's never enough
Never enough
Never enough
Love
Never enough
Never enough
It's never enough
Love

Running from yourself now
Can't hear what you're told
Never let your guard down
Anywhere you go
In the right place, at the right time
And still you sink into the floor...

It's never enough
Never enough
Never enough
Love
Never enough
Never enough
It's never enough
Love

It's never enough
Never enough
Never enough
Love
Never enough
Never enough
It's never enough
Love
