Tuxedo

I've got that magic feeling, that's for sure
Dancing on the ceiling, above the floor
Got that magic feeling, that's for sure
I've got the feeling
Dancing on the ceiling, above the floor
More, more and more

Ooh, yeah, that's for sure, for sure
Yeah, that's for sure
Ooh, I want it more, I want more
I want it more

Ooh, I'm floating on a cloud, so feet, don't fail me now
Don't let me go, whoa
Ooh, just hold on to the groove, and don't stop what you're doing
Ooh, hold on to the groove
That's for sure, yeah, that's for sure

I've got that magic feeling, that's for sure
Dancing on the ceiling, above the floor
Got that magic feeling, that's for sure
I've got the feeling
Dancing on the ceiling, above the floor
More, more and more

Ooh, yeah, that's for sure, for sure
Yeah, that's for sure
Ooh, I want it more, I want more
I want it more

Ooh, I'm gliding through the sky, so please don't blow my high
Ooh, gliding through the sky
Don't let me go, whoa
Ooh, just hold on to the groove and don't stop what you're doing
Ooh, hold on to the groove
That's for sure, yeah, that's for sure
