

## Close

Tuxedo

It feels so good to me  
Can't control myself  
When you're close to me  
It's too good to be true  
Can't control myself  
When I'm close to you

My temperature is rising through the roof  
Nothing can help me through  
I tried my best to find a substitute  
Nobody else will do  
Ooh

This pull's gravitational  
Every time I cross that line  
There's no getting over you  
And it's messing up my mind

It feels so good to me  
Can't control myself  
When you're close to me  
It's too good to be true  
Can't control myself  
When I'm close to you

It feels so good to me  
Can't control myself  
When you're close to me  
It's too good to be true  
Can't control myself  
When I'm close to you

Your magic spell has taken hold of me  
I'm hooked to from head to toe  
I tried to drown it out with Hennessy  
I still can't let you go  
Woah

This pull's gravitational  
Every time I cross that line  
There's no getting over you  
And it's messing up my mind

I can't control it  
I can't control myself  
I can't control it  
I can't control myself  
I can't control it  
I can't control myself  
I can't control it  
I can't control myself

It feels so good to me  
Can't control myself  
When you're close to me  
It's too good to be true  
Can't control myself

When I'm close to you

It feels so good to me  
Can't control myself  
When you're close to me  
It's too good to be true  
Can't control myself  
When I'm close to you
