

Livin' 4 Your Lovin'

Tuxedo

When I hold you
In my arms
I feel it girl
I know it's meant to be
On the road girl
All alone
I dream of you endlessly

Girl I'm livin' for your lovin'
Your lovin' touch
Girl I'm livin' for your lovin'
Your love is what I need so much
Girl I'm livin' for your lovin'
Your lovin' arms
Girl I'm livin' for your lovin'
Your lovin' keeps me going strong

Every time
I close my eyes
I see it girl
I see your smiling face
Don't you worry
These other girls
They never could take your place

Girl I'm livin' for your lovin'
Your lovin' touch
Girl I'm livin' for your lovin'
Your love is what I need so much
Girl I'm livin' for your lovin'
Your lovin' arms
Girl I'm livin' for your lovin'
Your lovin' keeps me going strong

You're the one I'm livin' for
I'm livin' for your lovin'
