

I'm on my way  
I'm on my way to you  
I wanna rendezvous ooh  
I'm on my way  
I'm out the door I'm gone  
And now I won't be long  
I'm on the way  
I'm on the way

Put on that Intimissimi  
Paint your nails and dim the lights  
Tell your girlfriends you're busy  
I can be your freak tonight

And when I get to you  
We're gonna do all of the things that's running through your mind

I'm on my way  
I'm on my way to you  
I wanna rendezvous ooh  
I'm on my way  
I'm out the door I'm gone  
And now I won't be long  
I'm on the way  
I'm on the way

I'm on the way baby tell me do you want something? (Do you want something)  
I'm off of Palms getting drunk and you say that you got some (that's my baby)  
I think that's gon' do us right  
We gonna stay up all night  
I slip inside  
On sight

And when I get to you  
We're gonna do all of the things that's running through your mind

I'm on my way  
I'm on my way to you  
I wanna rendezvous ooh  
I'm on my way  
I'm out the door I'm gone  
And now I won't be long  
I'm on the way  
I'm on the way

On my way (on my way)  
I'm on my way
