

# Windows Down

Tuxedo

Got to roll the windows down  
Volume up  
You hear the sound that's coming out the trunk  
Got to roll the windows down  
Let 'em know  
It's that Tuxedo on your stereo

Ho!  
Ho!  
Ho! Ho! Ho!  
Hey!  
Ho!  
Ho! Ho! Hey! Hey!

Ooh, bend a corner with me, babe  
Aye, aye, aye  
Ooh, bend a corner with me, babe  
Aye, aye, aye

Got to roll the windows down  
Volume up  
You hear the sound that's coming out the trunk  
Got to roll the windows down  
Let 'em know  
It's that Tuxedo on your stereo

Ho!  
Ho!  
Ho! Ho! Ho!  
Hey!  
Ho!  
Ho! Ho! Hey! Hey!

Ooh, bend a corner with me, babe  
Aye, aye, aye  
Ooh, bend a corner with me, babe  
Aye, aye, aye
