

You & Me

Tuxedo

You know I'm on it like I want it
Ain't that the way it's supposed to be
I'm 'bout my business tryin' to get this
A better life for you and me
You and me
You and me
You and me
You and me

Baby Huey Hard Times on my (timeline)
Devils praying on my demise (outside)
But with you in my life my ride (or die)
We can get our slice of the pie
Just you and I no lie no lie

You know I'm on it like I want it
Ain't that the way it's supposed to be
I'm 'bout my business tryin' to get this
A better life for you and me
You and me

You know I'm on it like I want it
Ain't that the way it's supposed to be
I'm 'bout my business tryin' to get this
A better life for you and me
You and me
You and me
You and me
You and me

Yeah, picture you and me in first class full fare (out there)
Clinkin' with a pinky up in the air (glassware)
In the delicest of fabric
We can have it all
We can have it all
Just get your back up off the wall

So many problems in this world today
Let's hit the floor and dance them all away
Tomorrow we'll resume reality
Together you and me

You know I'm on it like I want it
Ain't that the way it's supposed to be
I'm 'bout my business tryin' to get this
A better life for you and me
You and me

You know I'm on it like I want it
Ain't that the way it's supposed to be
I'm 'bout my business tryin' to get this
A better life for you and me
You and me
You and me
You and me
You and me
