

Average Guy (Blame)

TV Girl

I don't have much to say I'm an ordinary guy
Don't ask me how I feel about it, it never crossed my mind
The only thing that bothers me is how to spend my time
But all in all, it's pretty good to be alive

When you're an average guy
And I'm just an average guy
I'm just an average guy
I stay so warm at night

I get nervous whenever I'm alone
My girlfriend disappears for hours
I don't know where she goes
Lord only knows where I'd be without that girl
And everybody knows that love's the best thing in the world

For an average guy
And I'm just an average guy
I'm just an average guy
I stay so warm at night

I get on my knees every other day
Lord keep me out of trouble and keep me safe from pain
I get these feelings they're no easy to explain
But when you see me I'll have a smile on my face
Cause I'm just an average guy

When you're an average guy
And I'm just an average guy
I'm just an average guy
I stay so warm at night

I'm just an average guy
I'm just an average guy
I'm just an average guy
I'm just an average guy
