

You make me feel so alive  
I want you in my life  
Please let's not waste no time  
'Cause I can't wait for you to be mine, mine

Ooh, with you  
Tell me what you want, it'll come true  
Give me all your love and I'll give you mine  
Come through  
'Cause you're all I need at the rendezvous  
Give me to me and I'll give too, tonight

Don't put out the fire, don't let it die  
If you wanna take me higher, teach me how to fly  
Desire, I can see it in your eyes  
Bring me back to life

You make me feel so alive  
I want you in my life  
Please let's not waste no time  
'Cause I can't wait for you to be mine, mine

Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go

Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go  
And if you do, baby, let me know  
Tell me you'll never let me go
