

# Beautiful

TVORCHI

I can free myself from your shackles  
I fell in love at your freckles  
Feel like I just met you  
But I remember (oh) last September, we together

I remember wearing "We're on Cloud 9"  
Last September, we were still wastin' time  
You can tell me that I'm making you cry  
But you're so beautiful

So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
(So beautiful, so beautiful)

Beautiful, you're so beautiful  
Beautiful, you're so- (ooh, yeah)  
Beautiful, you're so beautiful, beautiful  
Beautiful, and I wanna make you-

Make you my-y-y-y-y-y  
Make you my-y-y-y, -y  
Make you my-y, make you my-y-y  
Make you my-y-y

You shine bright, just like an angel  
If I had my way, I'd never change you  
And you were a good girl, I would take you  
I'll keep my promise, I'll be faithful

I remember wearing "We're on Cloud 9"  
Last September, we were still wastin' time  
You can tell me that I'm making you cry  
But you're so beautiful

So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful

Beautiful, you're so beautiful  
Beautiful, you're so (ooh, yeah)  
Beautiful, you're so beautiful, beautiful  
Beautiful, and I wanna make you

Make you my-y-y-y-y-y  
Make you my-y-y-y, -y  
Make you my-y, make you my-y-y  
Make you my-y-y

So beautiful, so beautiful

So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful  
So beautiful (ooh, yeah)  
So beautiful, so beautiful

Beautiful, you're so beautiful  
Beautiful, you're so (ooh, yeah)  
Beautiful, you're so beautiful, beautiful  
Beautiful, and I wanna make you
