

I was so down when you picked me up  
And showed me your Heaven  
Girl, in this town there's no angels in  
This place that you call Heaven

I've got guilty pleasures  
For things that you can't fathom  
Oh, I've been askin' myself  
So many questions, and I lied to know

Won't you believe me?  
Oh, why won't you forgive me?  
'Cause you're the one to believe me  
Oh, why won't you forgive me?  
'Cause you're the one who

Late night, but I'm turnin' on the wayside  
Got no chill, don't have to waste time  
On the hustle, on the late grind  
Oh, yeah

Don't listen what they say  
They fancy when they pay  
We're famous anyway  
So listen to me, babe  
We fight then we don't talk  
Can't wait it out no more  
Don't listen when you're talkin'  
That's why you feel lost

Take a pen and write your feelings (Feelings)  
Oh, oh, called to ask about your details (Details)  
Oh no, can't you see my heart is bleedin'?  
Oh, why'd you hurt me for no reason?  
Oh, oh

Then why won't you believe me?  
'Cause you, then why won't you forgive me?  
Then why won't you believe me?  
'Cause you, ooh, ooh
