

Watermelon kisses, feed me on  
Oh  
Oh, I'll be nothing without your love  
Oh

Can't get you outta my head, oh  
Don't forget the things we used to do

Die for me  
Said you wanted to come out to me  
Don't, don't don't hide from it  
Don't, don't, don't lie to me  
Slice me like a samurai  
Cannot put me back together  
I was so blind to it  
Said you'd confide in me, oh

He said whatever you do  
Don't break that code (Code)  
Now what I gotta do to save my soul, ah?  
Never wanted this to end my whole life  
(Oh like)

You make me wanna reach for the stars, so high  
High, high, high, high  
Don't know what it is but I feel like I can fly  
Oh, oh, oh  
Sing it to me like  
Oh  
Oh  
Oh  
Oh, like  
Oh  
Oh  
Oh
