

Gave all of me to you  
Got nothing left to lose  
So when are we gonna make a move  
Ah

All your selfish needs I know  
Got the best of you, come on  
So when are you gonna read the room  
Ah

Instead of love I chose you  
Sure enough it was all a ruse  
So take what you want, it's all yours  
It's all yours

'Cause I got a crush on you  
Crush crush crush crush on you (Oh my God)  
Crush crush crush crush on you (Oh oh)

'Cause I got a crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you

You can run, but you can't hide (You can't hide)  
Hoping we could compromise (Ooh)  
I'm not one to fantasize (Fantasize)  
Just look what you made me do  
Look what you made me do

Without you it's just not the same  
But you think it's just a game  
Only you can take this pain away, away

Instead of love I chose you  
Sure enough it was all a ruse  
So take what you want, it's all yours  
It's all yours

'Cause I got a crush on you  
Crush crush crush crush on you (Oh my God)  
Crush crush crush crush on you (Oh oh)

'Cause I got a crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you

'Cause I got a crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you  
Crush crush crush crush on you
