TVORCHI

You wanna go with me  
We're going overseas  
You know you're taking over me  
Let's go on an odyssey

Inside it's a lockdown  
Late night we could skip town  
Show me what you got now  
I come alive in the night time

Diva diva diva diva diva diva

Diva  
She's a diva  
You're a diva  
Uh huh diva

You don't need something to hide  
'Cause tonight Imma take you high  
(La la la la la la la la la)  
Taking you high

You know

You know you don't need any other love
