

# Follow My Lead

TVORCHI

Got a lot of power over me  
Got a lot of power over me  
Hmrrrrrr  
Want me to give you what you ask for  
Want me to do it as you please  
Hmrrrrrr  
Say what you want  
Say what you need  
Ooooooh  
Don't fall in love just follow me  
Say what you want  
Say what you need  
Ooh  
Don't fall in love just follow me

Follow follow follow follow follow my lead  
Let me take you up  
Take you down with me  
Follow follow follow follow follow my lead  
Just like a zombie movie scene

I'm so obsessed  
And you should know that you're going too fast  
And you should slow down  
Nothing can stop what we can do together

But you got me confused  
Feeling so bad  
I'm feeling used  
I know I chose that  
I think that I  
Should have chosen better

Controlling me like a puppet  
I'll do anything you wanted  
Whispering nothing for something  
Looking at me like you want it  
Uuuhhhh  
You got my head in a spiral  
We could just do something viral  
Right here and now not tomorrow  
Cause you're the one I want to follow

Follow follow follow follow follow my lead... (Uh huh)  
Let me take you up  
Take you down with me (uh huh)  
Follow follow follow follow follow my lead... (Follow my, follow my)  
Just like a zombie movie scene

Don't fall in love just follow me
