

# FREEDOM

TVORCHI

Freedom  
But you take when you like  
Speak up  
You're afraid, tell me why?  
This is not free to take  
But you can try  
This is not just a piece of cake  
And that's why

You can look  
But you can't touch  
These walls  
You can't break them down  
Not today, not now

You can't break us down  
(No, no, no way)  
You can't break us down  
(No, no, no way)

Deep  
In the middle of the night  
Fear and surprise  
With the tears in our eyes  
So many died  
In the flesh, in the mind  
Staying alive  
Making history tonight

You can look  
But you can't touch  
These walls  
You can't break them down  
Not today, not now

Down to the ground  
And up so high  
We'll keep fighting  
Till the day we die  
Keep your distance  
'Cause you can't take what's mine  
(You can't break us)

You can look  
But you can't touch  
These walls  
You can't break them down  
Not today, not now

You can't break us down  
You can't break us down  
You can't break us down
