TVORCHI

Instagram model, she was a whole lot of trouble (Oh, yeah)
Couple of cocktails was a recipe for scandal
Supermodel, she likes dancing on the table (Ooh, yeah)
Right next to me when she whispered in my ears

Up into the sky, we go
Till the rhythm gives us flow
High on love, no self-control
Don't let go, don't let go

Up into the sky, we go
Till the rhythm gives us flow
High on love, no self-control
Don't let go, don't let go

Blonde hair, tight jeans, fake smiles on the pictures
White lies on dark screens, all night, yeah, we stay up

Don't let go, don't let go

Crazy woman, bad intentions, brief explosion
I'm awoken, I'm a new man, no intentions
For your loving, I've been waiting

I'm awoken, I'm a new man, no intentions
For your loving, ow

Beautiful enemy, you're my remedy (Uh-huh)
Back up against the wall, turn your back on me (Oh, oh, yeah)
Here right next to me for eternity (Uh-huh)
Back up against the wall, you turn your back on me (Back on me)

Up into the sky, we go (Sky, we go)
Till the rhythm gives us flow (Gives us flow)
High on love, no self-control (Self-control)
Don't let go, don't let go (Oh, honey)
