

# Loco

TVORCHI

Oh hey  
I know we just met  
Got something to say  
Let's see where we go from here

I don't need much but  
I want your love  
Oh  
This is making me loco  
I want your love  
Oh

Don't be afraid to dance  
We got all the time tonight  
Don't be afraid to love  
Tell me what's on your mind tonight

Loco, loco, she's so coco  
Driving down the highway fast  
Loco, loco, she's so loco  
Put her feet up on the gas  
Loco, loco, it's a no-no  
You do you, I'll have to pass  
Uno, dos, tres

Loco, loco, she's so coco  
Driving down the highway fast  
Loco, loco, she's so loco  
Put her feet up on the gas  
Loco, loco, it's a no-no  
You do you, I'll have to pass  
Uh, uh  
Uno, dos, tres

You say  
You say you love me, you wanted me to  
Stay  
Stay late  
Many things  
Things I could do to you

(Uno, dos, tres)  
Loco, loco, she's so coco  
Driving down the highway fast  
Loco, loco, she's so loco  
Put her feet up on the gas  
Loco, loco, it's a no-no  
You do you, I'll have to pass  
Uno, dos, tres

Loco, loco, she's so coco  
Driving down the highway fast  
Loco, loco, she's so loco  
Put her feet up on the gas  
Loco, loco, it's a no-no  
You do you, I'll have to pass  
Uh, uh

Uno, dos, tres
