

Mysterious

TVORCHI

Look in my eyes you can tell
You're driving me crazy
There's something so wild about you
Feels fucking amazing
But you're so mysterious baby

Ohh ahhh
Dont babyyy
Change my mind cause I caught you lying

Ohh ahhh
Dont babyyy
Change my mind cause I caught you lying

Ooooooh
Ooooooh
Ooooooh
Ooooooh

Cause I just caught you lying
So please don't change my mind
Why do you keep trying
Do you wish we could rewind

So why do you keep hiding behind that smile
It's driving you crazy
Cause there's nothing that I can do
To satisfy your cravings
You've been so mysterious lately

Ooooooh
Ooooooh
Ooooooh
Ooooooh

Cause I just caught you lying
So please don't change my mind
Why do you keep trying
Do you wish we could rewind

Ohh ahhh
Dont babyyy
Change my mind cause I caught you lying

Ohh ahhh
Dont babyyy
Change my mind cause I caught you lying
