Scandalous (Scandalous, scandalous)
The way you move your body's dangerous
Scandalous (Scandalous, scandalous)
The way you move your body's dangerous

Oh, I wanna be your fantasy
Touch you maybe casually
Bring me back to reality
'Cause baby, I love your insanity
I wanna be your fantasy
Touch you maybe casually
Bring you back to reality
Baby, I love your insanity

Don't put all your loving on me
'Cause I don't want it for free
Want you to make me say please
Don't put all your loving on me
'Cause I don't want it for free
Want you to make me say please

Scandalous (Scandalous, scandalous)
The way you move your body's dangerous
Scandalous (Scandalous, scandalous)
The way you move your body's dangerous

Make my heart beat faster
What a beautiful disaster
Can I get an answer?
Begging you, begging you
Make my heart beat faster
What a beautiful disaster
Can I get an answer?
Begging you, begging you

Don't put all your loving on me
'Cause I don't want it for free
Want you to make me say please
Don't put all your loving on me
'Cause I don't want it for free
Want you to make me say please
