

Slow

TVORCHI

How can you say that were on the fast lane
But we don't where we're going, going
How can you say that were on the fast lane
But we don't know where we're going

Can we take it slow? Take it slow, take it
Yeah-yeah can we take it slow?
Take it, take it slow, oh huh oh oh

It's past midnight looking at words, making it worse, singing out
Putting it up, putting it down, making it wild,yeah

It's past midnight looking at words, making new words, singing out
Putting it up, sending it down, making it wild,yeah

How can we
Slow the fuck down, slow the fuck down, yeah, yeah, yeah

How can we
Slow the fuck down, slow the fuck down
Slow the fuck down, yeah, yeah, yeah
How can you say that were on the fast lane
But we don't where we're going, going, going now

How can we say that we're on the fast lane
But you don't where we're going, going

How can you say that you're on the fast lane
But you don't where you're re going
We're going, going

How can you say that you're on the fast lane
You don't where you're re going, going

Can we take it slow
Take it slow, take it slow, take it slow
Can we
Take it slow, take it slow oh, oh yeah

It's past midnight looking at words, making it worse, singing out
Putting it up, putting it down, making it wild,yeah

It's past midnight looking at words, making new words, singing out
Putting it up, sending it down, making it wild,yeah

How can we slow the fuck down
Slow the fuck down, yeah, yeah, yeah
How can we slow the fuck down
Slow the fuck down
Slow the fuck down, yeah, yeah, yeah

Weird if I say
Why the fuck can't we take it slow
Everyday is fucking same
Pretty lies so we're fucking off

White lies white lies

White lies on the studio
Not nice not nice
So we better fucking take it slow, take it slow
Take it slow, fucking take it slow

Everyday is fucking same, fucking same
Take it slow, take it slow
