TVORCHI

I wanna go, but the feelin's holdin' me back
But in my soul I been waitin' for this moment

But yes, I know when you're close
I just lose my way, I know
Oh, yes, I know when you're close
I lose my will and self control

But yes, I know when you're close
I just lose my way, I know
Oh, yes, I know when you're not around
All I think about is you
All I think about is you, you
All I think about is you, you
All I think about is you

Is it my demons, is it me?
Is there something I'm missing here?
So what am I feeling, is it real?
So many doubts but yes, I know

But yes, I know when you're close
I just lose my way, I know
Oh, yes, I know when you're not around
All I think about is you
All I think about is you, you
All I think about is you, you
All I think about is you

But yes, I know when you're close
I just lose my way, I know
Oh, yes, I know when you're close
I lose my will and self control
