

Trip

TVORCHI

Yeah-yeah, hey, yeah
Yah, yah, whoa
Come on

I've seen many colours
And I'm hard to be moved
I've been smokin' green pastures
And I don't know what to do (whoa)
I'm light as a feather (feather)
I see myself on the pillow
When the po'-po' come around
Then, we take it on the down-low

We start to get the muchies (yeah)
The first's tryna be loaded
If you pull up with my homies (with my homies)
Then I'll keep the gun loaded
I just wanna be free
When you're ever gonna see that? (See that)
I'm in love with the green
And you're never gonna beat that (whoa)

I see myself in the pillow
When the po'-po' come around
Then, we take it on the down-low (no)

Free fall in sky-high
Check the smoke, feel alright
I think I'm losing my mind (oh, my God)
Take a trip on rewind (oh, my God)
Let it take you there slow
You can't do it on your own
Let it losen a rib
After the lose, take a trip
