I told you before  
That you cannot trust me  
Don't need love anymore  
'Cause the feeling still haunts me

It was bound to happen  
Was blind, couldn't see  
That we're not so different  
So listen to me

You're a heartbreaker  
I'm a troublemaker  
Let the rhythm take you  
You're a heartbreaker  
I'm a troublemaker  
Let the music take you  
Don't talk just dance

You're a heartbreaker  
I'm a troublemaker  
Let the rhythm take you  
You're a heartbreaker  
I'm a troublemaker  
Let the music take you

Ah-oooh, ah-oooh, ah  
Ah  
Ah  
Ah  
Troublemaker  
Ah-oooh, ah-oooh, ah  
Ah  
Ah  
Ah  
Troublemaker

Turn me on tonight  
Turn me on tonight  
Turn me on tonight, baby  
Give me love tonight  
Give me love tonight  
Give me love tonight, baby

Turn me on tonight  
Turn me on tonight  
Turn me on tonight, baby  
Give me love tonight  
Give me love tonight

Ooh  
Move your body just like I do (Ah)  
You don't need to feel it

Do it like I do, like I do, yeah

You're a heartbreaker  
I'm a troublemaker  
Let the rhythm take you  
Don't talk just dance  
You're a heartbreaker  
I'm a troublemaker  
So, let the music take you  
(Woo!)

You're a heartbreaker  
I'm a troublemaker  
Let the rhythm take you  
You're a heartbreaker  
I'm a troublemaker  
Let the music take you

Ah-ooh, ah-ooh, ah
