

You

TVORCHI

I see the fire in your eyes when I look at you (when I look at you)
I mean it every time, girl, you know it's true (girl, you know it's true)

Yeah, we're playin' a game that we know that we can win
You was wrapped around my heart, I'm swept away, yeah-yeah

I can't be fazed by the words of your friends
Your friends (your friends)
Give me a time and a place
Baby, tell me where (baby, tell me where)
I won't be left in the dark, this is nothin' new (this is nothin' new)
And now you used my heart and my soul

'Cause I know it's you, oh, oh (ooh)
'Cause it's you (ooh)
Yeah, you, oh, oh (ooh)
Yeah, you, oh (yeah, la, la)

Ooh (ooh, ooh)
Ooh (ooh, ooh)
Ooh (ooh, ooh)

I (I, I) can't keep you off my mind
All the goddamn time
I (I, I, I) can't keep you off my mind, yeah-yeah
All the goddamn time

Girl, I'm callin' but you're runnin' away
Do you remember last time when you told me you'd stay?
Hurt in my feelings, I don't know what to do
I don't care what you say, I know it's you

Girl, I'm callin' but you're runnin' away
Do you remember last time when you told me you'd stay?
Hurt in my feelings, I don't know what to do
I don't care what you say, I know it's you (I know it's you)
(I know it's you, I know it's you)
Girl, I know it's you (I know it's you)
Girl, I know it's you (I know it's you)
Girl, I know it's you
Girl, I know it's you

'Cause I know it's you, oh, oh (ooh)
'Cause it's you (ooh)
Yeah, you, oh, oh (ooh)
Yeah, you, oh (yeah, la, la)

Ooh (ooh, ooh)
Ooh (ooh, ooh)
Ooh (ooh, ooh)
