A brave follower blooming  
Frailly but proudly  
Your vibrant zest for living  
Brought tears to my eyes

Let's walk the endless road from the beginning together  
(To keep your life)

Surely your tomorrow will shine, back, back, back  
For now, back, back, back with me  
Trust me, it will shine again, back, back, back  
Together, back, back, back with you

Let's build (love...), let's connect our (love...)  
Let's have an eternal hope

Will the pain in  
Your heart ever heal?  
I sincerely want to take you  
Into my arms and help you

I'll help you draw a dream in your heart from the beginning

(To give my love)

Remember the sky on that day, step by step  
For now, step by step with me  
Let your laughter ring, step by step  
Together, step by step with you<sup>8</sup>

Let's build a (love...), let's connect our (love...)  
Let's have an eternal hope

No matter how windy the day, no matter how dark the road  
I'll never let your smile fade away

Surely your tomorrow will shine, back, back, back  
For now, back, back, back with me  
Trust me, it will shine again, back, back, back  
Together, back, back, back with you
