Let's start now

No need to be conscious of others (mama)

Why so nice?

That frustrating style is no fun (mama)

Everyone is the same
Only you catch my eye
This is too cliché
Loosen up your shoulders

No need to be self conscious
Burn it up with this rhythm that captures your heart
Hey lady, till the night is over
Scream a little louder, like you're crazy

I just wanna do my thing
Bounce bounce bounce
When you want me
Bounce (bounce with it bounce with it)
Bounce (bounce with it bounce with it)
Bounce (bounce with it bounce with it)
I just wanna do my thing
Bounce
Bounce with it bounce with it
Bounce with it bounce with it
Bounce with it bounce with it
When you want me

I don't care about awkward movements
U know? u know (mama)
The atmosphere is to the max now
Enjoy the night (mama mama)

As if they're completely intoxicated by you
Everyone is following your movements
Don't be shy, all stop, dance, don't stop
It's getting hotter yeah

No need to mind the time
Trust yourself when your heart is captivated
Hey lady, as if tonight's your last
Dance with me like crazy

I just wanna do my thing
Bounce bounce bounce
When you want me
Bounce (bounce with it bounce with it)
Bounce (bounce with it bounce with it)
Bounce (bounce with it bounce with it)
I just wanna do my thing
Bounce
Bounce with it bounce with it
Bounce with it bounce with it
Bounce with it bounce with it
When you want me

Bounce with it bounce with it
Bounce with it bounce with it
Bounce with it bounce with it

So I'll dance for you baby (alright)
