(I-know) that you are straightforward and stubborn- trust me
(U-know) that I like you- you are the only girl for me- listen to me

My head is dizzy as if I didn't get any sleep
Whenever I face you (girl you are fabulous)
Is it because of the coffee I drink every day, out of habit?
I think my heart will burst

So crazy- you are so perfect- what do I do?
You are eye-blinding- you melt my heart
Yeah yeah yeah
Excuse me, I really want you like this
Baby accept my heart yeah yeah baby

My pride is one of the best- my existence, no one can handle
But you- without being able to place a reason, you are so perfect
As if someone is controlling me, in my head there are only thoughts of you
Even if I give you everything you want, it wouldn't be a waste
You're my only girl

My heart is playing by itself- what do I do
Whenever I face you (girl you are fabulous)
As if I can't escape, as if I'm hypnotized
Whenever I see you, I lose my words yeah

So crazy- you are so perfect- what do I do?
You are eye-blinding- you melt my heart

Yeah yeah yeah
Excuse me, I really want you like this
Baby accept my heart yeah yeah baby

My baby...so crazy...you're my baby

So crazy- you are so perfect- what do I do?
You are eye-blinding- you melt my heart
Yeah yeah yeah
Excuse me, I really want you like this
Baby accept my heart yeah yeah baby

So crazy- I will give you my everything
My baby trust me, open your heart
Yeah yeah yeah yeah
Excuse me, I don't know how to give up like this
Baby accept my heart
