It's today, the reason I came this far
I'm ready now, yeah
I see you, I see the trembling behind that smile
I'm filled with you inside

Though scars grow bigger
I won't let go of you

Baby mine (already) I
Gave you everything
I gave up everything for you
You keep whispering to me
There is no hesitation, I'll have you at once

It's an unwanted attraction
A momentary target, my heart has stopped
Don't be afraid and approach her
This is the last time, there's no second chance

I'm not afraid, I felt the pain every night
I wanted you so much that I threw a fit
The many eyes pierced through the

Reflection in the mirror that can't be erased

Stop trying to contain
The ripping tears

Baby mine (already) I
Gave you everything
I gave up everything for you
You keep whispering to me
There is no hesitation, I'll have you at once

Oh yeah
Oh baby

The desire in your dark soul is growing

Baby mine (it continues) I
Gave you everything
I gave up everything for you
I'm aiming for you slowly
Without any hesitation, I'll have you at once

It's an unwanted attraction
A momentary target, my heart has stopped
Don't be afraid and approach her
This is the last time, there's no second chance
