So never give it up baby join the force

Moshi donna ni tsuyoku ai shitemo dare ni mo money can't buy you love  
Shihai dekinai kara koso the precious only one  
Unmei to wa go round and round tsunagatteru life inside the earth  
Yokubou ni kiba wo toida rakuen you can never come back again

Coming up coming up tsutae todoku made  
Coming up coming up te ni fureru made  
Coming up coming up dakishimeru made  
Coming up coming up we're calling you

Say oh

Sono karada ni wa is there the soul? (baby alright)  
Azamuku mae ni can you say no? (no...)  
Itsuwarazu ni do you have faith in yourself? (you have faith in yourself yeah)

Oh souzou ni wa seigi wo (oh oh yeah) kono eien ni hikari wo (ah)  
So never give it up baby join the force (baby oh yeah)

Mamoru beki koto hokoru beki koto tsuranuiteku koto never too late  
Too! ashita demo fuan ni yuretemo ai suru hito yo believe always

Coming up coming up me wo samasu made  
Coming up coming up torimodosu made  
Coming up coming up shinjiaeru made  
Coming up coming up we're calling you

Say oh

Sono karada ni wa is there the soul? (Is there the soul?)  
Azamuku mae ni can you say no? (no no)  
Itsuwarazu ni do you have faith in yourself? (you have faith in yourself)  
Oh game ni wa shuushifu wo (oh yeah) Shinjitsu ni wa yuuki wo (baby alright)  
So never give it up baby join the force  
(So never give it up baby join the force)

I know you're a destroyer without a gun

the fight has begun  
turnabout to dark side of the world  
poison drop scenario it drives me up the wall

Coming up coming up  
Coming up coming up  
Coming up coming up  
Coming up coming up we're calling you

Say oh

Is there the soul? can you say no?  
Do you have faith in yourself?  
Oh game

So never give it up baby, join the force

money can't buy you love  
the precious only one  
go round and round life inside the earth  
you can never come back again

Coming up coming up  
Coming up coming up  
Coming up coming up  
Coming up coming up we're calling you

Say oh

Is there the soul? (baby alright)  
can you say no? (no...)  
Do you have faith in yourself? (you have faith in yourself yeah)

Oh (oh oh yeah) (ah)  
So never give it up baby join the force (baby oh yeah)

never too late  
believe always

Coming up coming up  
Coming up coming up  
Coming up coming up  
Coming up coming up we're calling you

Is there the soul? (Is there a soul?)  
can you say no? (no no)  
Do you have faith in yourself? (you have faith in yourself)  
Oh game (oh yeah) (baby alright)  
So never give it up baby join the force  
(So never give it up baby join the force)

I know you're a destroyer without a gun  
Without a sound, the fight has begun  
In no time at all, there's been a total turnabout to dark side of the world  
Poison drop to fill my belly, yeah, each time I lose sight  
The same scenario happens again and again, it drives me up the wall

Coming up coming up, until you wake up  
Coming up coming up, until I have you back  
Coming up coming up, until we can trust each other  
Coming up coming up we're calling you

Say oh

Is there the soul in your body? Before you play me, can you say no?  
Do you honestly have faith in yourself?  
Oh, put an end to this game, courage for truth

So never give it up baby join the force

No matter how strongly you love someone, no matter who you are, money can't  
buy you love  
It's because I can't control this that you're the precious only one  
Fate goes round and round, all lives inside the earth connected  
A paradise where we sharpen our weapons on greed, you can never come back ag  
ain

Coming up coming up, until you get the message  
Coming up coming up, until I can touch you  
Coming up coming up, until I'm holding you  
Coming up coming up we're calling you

Say oh

Is there the soul in your body? (baby alright)  
Before you play me, can you say no? (no...)  
Do you honestly have faith in yourself? (you have faith in yourself yeah)

Oh, justice for creation (oh oh yeah) light for this eternity (ah)  
So never give it up baby join the force (baby oh yeah)

Things we must protect, things to be proud of, things to stand by, never too  
late  
Even if it's in the distant future, even if you're swayed by anxiety, believ  
e in the one you love always

Coming up coming up, until you wake up  
Coming up coming up, until I have you back  
Coming up coming up, until we can trust each other  
Coming up coming up we're calling you

Say oh

Is there the soul in your body? (Is there the soul?)  
Before you play me, can you say no? (no no)  
Do you honestly have faith in yourself? (you have faith in yourself)  
Oh, put an end to this game (oh yeah) courage for truth (baby alright)  
So never give it up baby join the force
