1 chance, how's your present condition?
2 steps, can you move soon?
3 words, so let's start this "Gimme you're love"

The things you should know, you just know
You also just have to get down
24-7 to go I gotta be

On the days when we go to the desert
We leave our footprints behind, it's ok to only have strength

High time
Get ur groovin' on
The this is also a night where the time tears off the dreams
High time
Get ur groovin' on
I'm alright
Let's see if we can exceed this body

High time
Get ur groovin' on
I'm alright I'm alright
We can't split up this love
High time
Get ur groovin' on
I'm OK
Because this place is already not enough

One day This will start
Today I won't lose this
Freestyle, I don't care anymore, Gimme the beat

Do you still have something you believe in?
Do you not believe in anyone?
24-7 to go I gotta be

The door the was stiffly locked
If it's destroyed, laugh and skip over the rules

High time
Get ur groovin' on
Shake and untangle all the despair and longing
High time
Get ur groovin' on
I'm alright
Now you can fly farther than anyone

High time
Get ur groovin' on
I'm alright I'm alright
It isn't allowed, but
High time
Get ur groovin' on
I'm OK
Zero has now begun to move

The violent rain leaves my heart
We expressed ourselves, let's throw away all the darkness

High time

Get ur groovin' on
I'm alright I'm alright
I'm ok

High time
Get ur groovin' on
On ur mark On ur mark
Are you ready to go?

High time
Get ur groovin' on
I'm alright I'm alright
We can't split up this love
High time
Get ur groovin' on
I'm OK
Because this place is already not enough
