Don't stop, hurry and come close to me  
Close your eyes tight (oh slow down)  
Don't speak, wait just a little longer  
And calm my shaking hands (oh-oh-u-wow)

I'll melt you with my heart  
That is more moist than a chocolate chip cookie  
Thicker than marshmallow chocolate oh my luv  
Stronger than an aromatic fragrance  
Is my heart that I'll melt you with  
Please accept these feelings I have for you  
(Please accept) do you feel me

Honey funny bunny  
Tenderly like a sweet fragrance  
Day by day-yeah-e day-yeah-e  
Honey funny bunny  
Like our deep first kiss as hot as fireworks  
Wow-wow wow-wow

Honey honey honey honey  
You're so sweet  
Funny funny funny funny  
You're so refreshing  
Bunny bunny bunny bunny oh baby  
I want to be held in your embrace  
And dream forever

Oh, you shine so bright that I can't look at you  
You're so beautiful (yo so fine)  
My heart races so much that I can't fall asleep  
Pit-a-pat calm me down (oh-oh-u-wow)

Those soft lips that graze my cheek  
What am I to do  
I want you, will you come to me quickly  
Those childlike eyes that look at me  
Burning with love  
I find myself lost in them, what do I do  
(What do I do) do you feel me

Honey funny bunny  
Tenderly like a sweet fragrance  
Day by day-yeah-e day-yeah-e

(A song a song) I want to sing for you  
(Forever forever) I want to give you all my love  
(Listen) I'm about to burst  
(Look at me) look at me (come closer) come  
So I can embrace you and fly to the sky
