I think u know I think u know
I think u know □□□□□□
I think u know I think u know
I think u know
I think u know

I think u know, I'm living according to my desire
I think u know, I think u know
I think u know, I can't take my eyes off of you
I think u know I think u know

I think u know, think u do

Pretending to take a self-camera picture
The unrestrained paparazzi
Everybody knows, get lost
I think u know, think u do
Escaping from the flashes, good bye
There in the destination was
I think u know, I think u know

Get it on, now, a surprisingly
False impression, she's a shy girl
Bringing her to my own pace, I think I can
It's foolish not to do so
Oh my god, showing off, like it, like this oh yeah

I think u know, I'm living according to my desire
I think u know, I think u know
I think u know, I can't take my eyes off of you
I think u know, I think u know
I think u know, I think u know

I think u know, think u do
You don't hate me, right?
I have a lot of women around me
Lady, more than you think
I think u know, think u do
Do you want me to be jealous?
Don't try me, I think u know
I think u know

Be with you babe
Being one step behind you, but this guy got a head start
Let's transfer to an echo car
Let's protect the environment and be in love
Oh baby, raise your spirits, like this

I think u know, I'm living according to my desire
I think u know, I think u know
I think u know, I can't take my eyes off of you
I think u know, I think u know
I think u know, oh yeah

Oh make me crazy baby, I wanna know your mind
Feel it as it is, I won't let you get away, never let you go

I think u know, I'm living according to my desire
I think u know I think u know
I think u know, I can't take my eyes off of you
I think u know, I think u know
I think u know
I think u know
