We're on the phone and you're mad  
What exactly did that guy say?  
You tell me about your fight for a while  
And you must've felt better because you laughed

On a normal Thursday night  
I hold onto the phone as always  
I'm your most comfortable friend  
I'm like soap that is lying  
Around close by

Ah my heart hurts, oh why can't you see me?  
Your small room, the special part  
Of your heart, I want to sit there  
Ah, I'm only looking at you but oh why don't you know yet?  
I don't want to lay around like white soap  
That has no existence

My heart is burning like this  
But you're yawning  
I don't think I can fall asleep tonight again  
But you just say, "bye, good night"  
I want to see you in my dreams

Ah my heart hurts, oh why can't you see me?  
Your small room, the special part  
Of your heart, I want to sit there  
Ah, I'm only looking at you but oh why don't you know yet?  
I don't want to lay around like white soap  
That has no existence

I think it's hardening, I think my heart is breaking apart  
At this rate, we will never happen  
I can't wait any longer

Ah my heart hurts, oh why can't you see me?

Your small room, the special part  
Of your heart, I want to sit there  
Ah, I'm only looking at you but oh why don't you know yet?  
I don't want to lay around like white soap  
That has no existence
