Let me walk this way  
Walk this way  
Walk this way  
Walk this way

(Rule) someone made it  
A rampart made of ice which will someday shatter  
(Rule) inside is my face  
I have a satisfied expression inside the walls which protect me  
(Move) now you need to turn back and walk  
You know what  
My own rules which dominate me  
You got to  
(Move) now stop blocking my path  
I need to grow a little more

Look at me, and the things which happened to me  
I've overcome everything and reached here  
I won't be satisfied being entrapped  
In this small tower any longer  
From the beginning, my path was different  
Now I've found my own voice  
I will open the closed doors  
I will take the first step, it's me

Scream  
You're the most beautiful in the world  
(Scream  
You're the most beautiful in the world!)  
Exclaim  
You're the most beautiful in the world  
(Exclaim  
You're the most beautiful in the world

It makes me free  
It never stops, my movement  
I want to find the strong me  
Who can feel no limits  
(Time to know)  
You're more than beautiful  
(Believe in yourself)  
Your passion which is  
Incomparable to no other  
No need to pass it by  
The world already taught you how to start

Look at me, and the things which happened to me  
I've overcome everything and reached here  
I won't be satisfied being entrapped  
In this small tower any longer

From the beginning, my path was different  
Now I've found my own voice  
I will open the closed doors  
I will take the first step, it's me

I will show you, follow me  
Move your body together  
I will overcome my old self  
And find my new self

Look at me, and the things which happened to me  
I've overcome everything and reached here  
I won't be satisfied being entrapped  
In this small tower any longer  
From the beginning, my path was different  
Now I've found my own voice  
I will open the closed doors  
I will take the first step, it's me
