Even on the day my body vanishes
These feelings won't disappear
Even the flowers will wither away, but this feeling
Will last long enough to take the place of 'eternity'
One thousand years of tears
Will drench my heart
No matter how many times
I'm reborn until I can meet you again

Before I awaken from this story
You wave to me
In the real world, morning comes
And for an instant in time, I understand
One thousand years of wishes soar in the sky
It's alright if they never come true, as long as I can meet you

On a journey far away
I wander alone in the gentle breeze
The rain that falls on the
Withered flowers conceals the sadness
Even with a thousand years of love (of love)
I can't fully express my feelings for you (I can't)
When the moon can't be seen in the night sky
I'll be able to meet you

One thousand years of feelings
Living on in a song
So that someday, when I'm reborn
I'll be able to meet you
