An uncompleted puzzle  
My rediscovered pleasure  
On this empty seat  
I'm filling it up with pieces of you  
My love, it has to be you  
No one else can complete it, yeah

I'm into you like it's the first time  
Hide inside of me  
Be excited, I'll show you right now  
It's starting again, movie (action)

Fill me up completely, right now  
Lift me up higher, right now  
With no empty spaces, right now (right now)  
Right now (right now) action

Oh with one puzzle piece (action)

Towards you, on and on (action)

The moment I lose you (yeah yeah yeah yeah)  
Oh I can't complete this picture

Each moment, falling again, I've been waiting  
Now hide inside of me (now hide inside of me)  
Let's make an even stronger home for us
