Even when I close my eyes, I can see
Even when I am far away, I know
How beautiful of a person she is

I don't want to let go of her hands
It feels as if we'll shatter
How delicate of a person she is

The person who is laughing amongst those people
That angel is my lady

I feel childishly proud
My expression becomes like an idiot
Please laugh only with me, oh she.. she..
I want to be your last
You're my heaven
Only one in the world, oh she.. she..

She is very prideful
She never cries
How strong of a person she is

Even at my lame jokes
She is always laughing

Although, I there are times when I'm not sure if she's truly laughing

The more I know you, the more I can't understand you
That person is my lady

I feel childishly proud
My expression becomes like an idiot
Please laugh only with me, oh she.. she..
I want to be your last
You're my heaven
Only one in the world, oh she.. she..

Oh, I know this lady, baby
Only I know
Only those who love her can know
Even her tears

I feel childishly proud
My expression becomes like an idiot
Please laugh only with me, oh she.. she..
I want to be your last
You're my heaven
Only one in the world, oh she.. she..
