Hey girl, if you open the door in front of your eyes
Oh right, you'll be able to find the sound you were searching for
Tonight, if you want to believe in the tonight you were dreaming of
So high, come here and let me take control of your body

Baby let's get down
All night long, or for eternity?
Baby let's spend the night
If you want, like this, forever

Feel it, communication and vibration
Funky nation a bit farther

Don't stop, let's look at each other until dawn as we dance
So hot, because I know what you want
It's you, give me a sign so nobody else can see
Kiss you, I'll embrace you tightly, and after that

Baby let's get down
Call my name, then numerously
Baby let's spend the night
Yes ok, I'll send it to this world
