Hey

Love, it blooms and wilts
It's all obvious every time
No one pressured you into it
It's all a common story

You see a person

You love like a fire
And when it ends, you hurt
But me

The reason why my heart flutters again
Forgetting that the
Deep scar won't heal
The reason why my heart flutters
If I know the answer
I would love again

They say you become numb with time
Who said that
My heart is still alive
And my head still remembers
It and won't be easy, this thing called love

One person leaves
Even if it hurts, it becomes numb with time
And I find love again
And like that

The reason why my heart flutters again
Forgetting that the
Deep scar doesn't heal
The reason why my heart flutters
If I know the answer
I would love again

I know so well that
It hurts when you break up
But I'm doing it again
With someone else
We dream the same dream
And look for true love

Show me your
One true heart
Hey

The reason why my heart is fluttering again
Everyone lives with a scar or two
That's similar to mine
The reason why I dream again
Until I find
That one true love
(Until I find that love)

Until I find you
Hey
