Fast footsteps on a small alleyway  
A shadow is chasing me  
Mixed up order, an unknown power  
A silent chaser  
It's very secretive, the scent is sweet  
The face is blurry but familiar  
As my memories get tangled in my dreams  
I toss and turn all night

My head is spinning  
With questions with no answers  
In an endless circle  
I'm getting sucked in, I'm suffocating  
I can't stop, oh

I've been waiting for you  
You've been waiting for me  
You're like vertigo to my mind  
Vertigo to my fantasy of you  
I try shaking my head and waking up  
But it's just a moment, I'm dizzy  
I'm dizzy  
(Dizzy)

I don't even remember how I got here  
In front of a cliff  
As if nothing's under my feet  
Sweat builds up in my back  
It's so thoughtless but so sweet  
You beckon to me in the darkness  
I can't move, I can't go back  
I'm frozen

I close my eyes in this dream  
That I can't wake from  
In this endless circle  
I'm getting sucked in, I'm suffocating  
I can't stop, oh

I've been waiting for you  
You've been waiting for me  
You're like vertigo to my mind  
Vertigo to my fantasy of you  
I try shaking my head and waking up  
But it's just a moment, I'm dizzy

I'm dizzy

Baby, things are falling apart in front of my eyes  
The whole world is getting more and more faint  
I'm trapped like this, I've lost my way  
In your arms, in this long darkness, I have fallen deeply

Cuz I've been waiting for you  
You've been waiting for me  
I try shaking my head and waking up  
But it's just a moment, I'm dizzy  
I'm dizzy

I've been waiting for you  
You've been waiting for me  
You're like vertigo to my mind  
Vertigo to my fantasy of you  
I try shaking my head and waking up  
But it's just a moment, I'm dizzy

I'm dizzy  
I'm dizzy  
I'm dizzy
