Let's go

With the eye of an MRI, I saw into your soul  
To the zirconia I know  
Imitation your 4C sing woah  
No, no-one surrender, egoist let go  
Gotta do, gotta feel, gotta move  
Gotta get up and all  
That brilliance is a fake sing woah

Come on  
With these hands we can make the world

It goes Y3K XO  
The best future  
We never never say no no no  
If you're a fake then disappear  
Take the mask get you gone  
Oh what a miracle  
M-m-m-mythical  
C-c-c-critical  
Indestructible  
Y3K XO  
To the next world gotta go

I gotta really go  
I gotta really really  
I gotta really go  
I gotta really really

Go! A fatal wound deceived me  
Gotta do, gotta feel, gotta move  
Gotta get up and all  
Sing woah

Come on  
Break the noise next door

It goes Y3K XO  
The best future  
We never never say no no no  
If you're a fake then disappear  
Take the mask get you gone  
Oh what a miracle
