

High as Hello

Tweedy

So long I will wait for
Howl at the moon
So low all the way home
Sit at the spoon

I should take you too
Oh I'm as high as
I'm as high as

Hello on the waveform
The wicked will die
So alone I know I'm shade-grown
Now why would I?

I'll take you too
I'm as high as
I'm as high as
Oh I'll take you too
I'm as high as
I'm as high as

Hello

Solo all the waveforms
The wicked will die
I'm alone all overtone
The rivers awake

I should take you too
I'm as high as
I'm as high as

Hello

Hello

I'll take you too
Oh I'm as high as
I'm as high as
I should take you too
Oh I'm as high as
I'm as high as
